

Instrumental Music Scholarships

JOHN PAUL
COLLEGE
with Him is the fullness of life

Welcome to the John Paul College Music Family!

John Paul College has a vibrant, cutting-edge, proudly contemporary instrumental music program and would love to welcome your son or daughter. Instrumental music lessons have been proven to aid in self-esteem, heighten academic achievement and improve resilience levels.

John Paul College annually offers music scholarships to high performing students and students who show outstanding potential on a musical instrument of their choice.

Instruments offered are:

- Voice (Singing)
- Piano/Keyboard
- Guitar (Electric and Acoustic)
- Bass Guitar
- Drumkit

There are five music scholarships offered annually. A music scholarship covers the cost of individual music lessons for twelve months. It is an expectation that students who receive a scholarship will regularly involve themselves in College music events and performances and act as brilliant ambassadors for John Paul College.

In order to be considered for a music scholarship, please complete the following steps:

- Complete the application form found on the College website.
- Prepare one piece of music on your chosen instrument.
- Attend an audition at the beginning of the school year (Your audition time will be sent to you upon submission of your application).

Lessons for successful applicants will commence at the beginning of the school year. Unsuccessful applicants are still highly encouraged to undertake paid lessons at the College.

Any further enquiries regarding music scholarships and the instrumental music program can be made to Arts Coordinator, Kevin Nguyen nguyenke@jpc.vic.edu.au.
