This rare opportunity will stay with you forever.

It is a big thing when our children move through their times of transition. Their teenage years accelerate quickly as their ride on the adolescent rollercoaster continues. They are growing up and the opportunity to reflect on the joys and challenges of this time in your lives, is one not to be missed.

Testimonials - What the dads and mentors say

"Brilliant opportunity to connect with my boy, and with others in the community."

Karl G. (De La Salle College, Melbourne)

"Drove home just how infrequently I take the time to just sit and talk with my daughter."

Rob F. (MLC, Melbourne)

"Wonderful initiative, highly recommend running again for future years."

Daniel M. (Kardinia College, Geelong)

"An eye-opener hearing the views and ideas of other kids in the same peer group."

Paul J. (Merchant Taylor's Boys, UK)

"I liked spending this time with my dad because I never really get to sit down and chat with him."

Lily S. (Saint Ignatius Geelong)

"Talked about some important things I thought we would never talk about."

Noah H. (De La Salle College, Melbourne)

"It was nice to understand what my dad was feeling and how it's similar to other dads."

Jan L. (Loughborough Boys, UK)

"It was a rare opportunity to speak with other girls fathers, and to grow a strong bond with my dad."

Sophie K. (Sacré Cœur, Melbourne)

We are bringing Ray Messer...

to our school to facilitate this unique experience for you. Ray is a very experienced and engaging facilitator who has worked in schools and associated adolescent and parent programs across four countries over the past 20 years. Ray is originally from country Victoria and is one of three boys himself, he gets a real thrill out of the connections that are made through Time & Space and

knows that you will too.

Fathers will emerge from the night reassured and impressed by the way our students are able to speak up and share insights about their life.

Be assured that the night is fun too... full of activities and conversations that will make us smile as well.

This helps with our activity planning for the session. This session is exclusive to Year 8.

If you have any other enquiries, please contact Craig Judkins on (03) 9784 0200.

We know that families come in all shapes and sizes and not all fathers can attend an evening such as this. A male mentor such as a grandfather, uncle or family friend is welcome to attend.
